MBL - Scoresheet help and advice

The filling in of the score sheet is the responsibility of the **home team captain**, but it is in the interest of **all players – home and away** – to check that there are no mistakes and to ensure continuity of games

Player names should consist of first initial and surname.

For clarity capital letters should be used.

Players

Both **Man A** and **Lady A** for both teams play the levels matches

The home team is playing their **B & C** partners conventionally ie **Man B** partners **Lady B** and **Man C** partners **Lady C**.

The away team has opted to swap their **B & C** partners ie. **Man B** partners **Lady C** and **Man C** partners **Lady B**. Note the box for '**Mark if MAN B is partnering LADY C**' has been marked.

(The swapping of B & C partnerships is optional)

Who's playing with whom and against whom?

Eg.

Mens A & B

R Gray & R Killworth vs. M Sumner & F Burrows

Mixed (Man) B

R Killworth & A Foster vs. F Burrows & J Kitson (Away team have swapped BC partnerships!)

Mixed Home B Away C

R Killworth & A Foster vs. K Drinkwater & C Fildes (Away team have swapped BC partnerships!)

The scoresheet **ALWAYS** refers to mixed partnerships by the **MAN** in the partnership. Please keep to this convention for accurate statistics.

The last game of the match has been conceded by **ABC** and **Nettles** receives the game win. **NO** points are recorded for conceded games.

DO NOT use 21-0 or 0-21 to indicate conceded games.

NOTE : THERE ARE FIXED PENALTIES FOR INCOMPLETE AND ILLEGIBLE SCORESHEETS
