### MBL - Scoresheet help and advice

The filling in of the score sheet is the responsibility of the **home team captain**, but it is in the interest of **all players – home and away** – to check that there are no mistakes and to ensure continuity of games

*Player names should consist of first initial and surname.*

*For clarity capital letters should be used.*

#### Players

Pairs can be **2 men, 2 ladies** or **a man and a lady**

Pairs are fixed for the duration of the match.

Each pair will play the other 3 pairs of the opposing team,

***DO NOT use 21-0 or 0-21 to indicate conceded games. Record the points as 'C - C' and the appropriate number of games for each team.***
